E-Shop 

And this is how it works

The LongLife awning Topas without roof in the value package can be exclusively ordered from the weinor E-Shop.

- Enter one of the 3 Topas sizes as well as frame colour and awning fabric as illustrated during the campaign period (12 different versions).
- Then choose the required installation brackets (for the wall or roof). (Configurations such as the arm position or motor side are specified – please also refer to the separate price list.)
- The price reduction is shown on your order confirmation.

Important: You can order accessories, further hand transmitters, the Tempura heating system or additional products in the same order at the terms familiar to you!

Order now – delivery as of October 2024
