## weinor Topas – the Clever Deal includes the following!

### An awning for a lifetime

Timeless like a topaz: The high-quality open weinor LongLife awning without a roof is characterised by its exceptional durability. The sturdy and low-noise weinor LongLife folding arm stands out with its very high tension force – even in gusty conditions. You can have all of this and a lot more at a special price!

### Perfect choice – ideal for you

**In 3 sizes** (width x projection)

4 x 2.5m

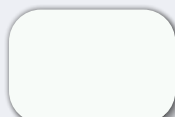

5 x 3m

6 x 3m

**In 2 frame colours** (per colour 2 fabric patterns to choose from)

RAL 9016

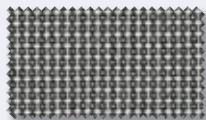

shell 3-708

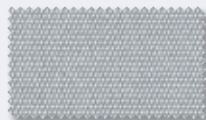

abalone 3-719

WT 29/90146

flint 3-720

concrete 3-579

### Also in the value package: Comfort and security

**Comfortable remote control.** Thanks to the remote-controlled motor and remote hand transmitter weinor BiEasy 5M, you can operate your Topas comfortably – quite simply from your sun lounger.

**Integrated product protection.** The Agido wind sensor on the front profile of your Topas retracts the awning automatically if it is too windy – for the security of your awning.

#### \*The price benefit refers to the following Topas packages:

- for a weinor Topas folding arm awning without roof at either 4 x 2.5m, 5 x 3m or 6 x 3m (width x projection)
- in the colours white RAL 9016 and grey WT 29/90146 (equivalent to RAL 9006 metallic)
- combinable with the awning fabrics shell 3-708 and abalone 3-719 (when the frame colour is white) as well as flint 3-720 and concrete 3-579 (when the frame colour is grey)
- incl. remote-controlled motor weinor BiConnect elero with 10-meter cable 124087, remote hand transmitter weinor BiEasy 5M silver and wind sensor weinor BiSens Agido
- additionally installation tools such as brackets (depending on the installation base)
